Ojai's EarthDay!

A Celebration at Oak Grove School

Sunday, April 15, 2007 • 11 am to 4 pm • Free Admission

Join us for environmental, educational and wellness exhibits, an arts & crafts marketplace, and hands-on art and action activities—like a climbing wall and bio-balloon toss, and petting zoo. Visit the sustainable demonstration gardens, learn about solar energy, and enjoy live entertainment from two stages. Meet the Ojai Green Coalition and learn how Ojai is thinking and acting green. Plus you'll find world foods, massage & yoga, a silent auction, student art market, an eco-vehicle showcase and much more!

EarthWalk/Ride

Bring the whole family to EarthWalk and EarthRide and show your support for sustainable living!

It's an easy and festive two-mile walk that begins at Cluff Vista Park, winds through the Ojai Meadows Preserve, and ends at the Oak Grove campus for EarthDay kickoff.

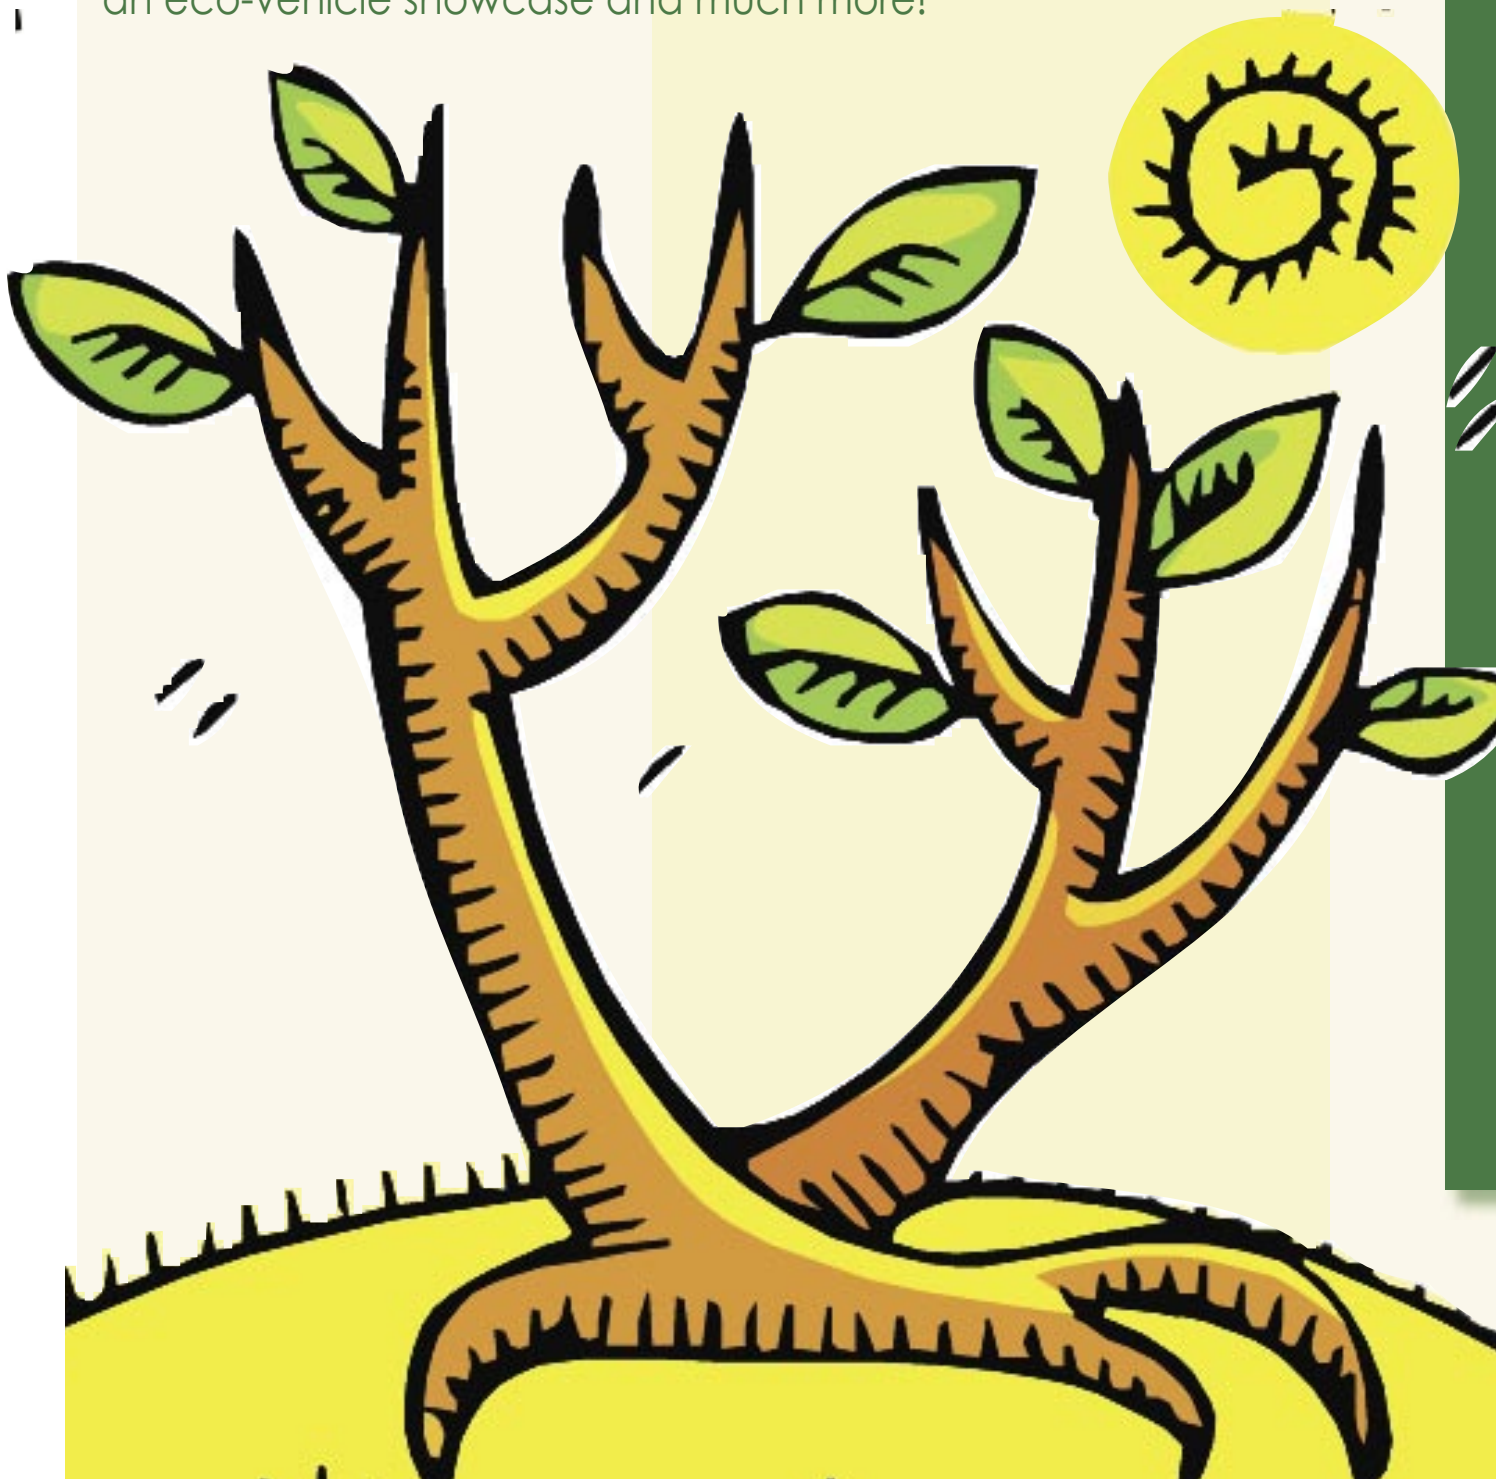

Cyclists will also gather at Cluff Vista Park and will travel the bike path and through a residential neighborhood to Oak Grove School.

Participants will receive a token for a free return ride on the Ojai Trolley and be entered in a special drawing for an Oak Grove "re-cycle."

It's free to participants. Optional donations support Oak Grove's community outreach events and the Ojai Valley Land Conservancy.

Arrive at Cluff Vista between 9:45 and 10:15 am for music, refreshments, speakers and celebration.

EarthWalk/Ride departs at 10:30 am sharp. See you there!
